

2020 Carter Classic FUNdrai\$er

Join us at SilverStar Mountain Resort on Saturday Feb 29 for the annual Carter Classic fun recreational 'race' to benefit the students of Silver Star Adaptive Snow Sports (SSASS). This event is open to skiers and snowboarders of all ages and abilities or disabilities.

Where do I start?

Go to our website to register online, print forms and take advantage of online donations from your family and friends. Registration packets are also available outside the SSASS room.

What if I am not a racer?

No racing skills required! It is a 'Guesstimation' event. The 1st time you ski the course we record and tell you your time, and then you guess how fast you will ski the course the 2nd time. The participant with the closest actual time to guessed time wins! So it doesn't matter if it takes you 30 seconds or 5 minutes, as long as you guessed correctly!

How do I participate?

- Enter a team of 3-4 members. We will provide your adaptive team member, unless you already have one. No team or need a SSASS racer? Let us know in advance and we will find one for you. Please register in advance if at all possible.
- Wear a 'skiing-safe' costume as an individual or team (optional).
- Collect donations in support of SSASS.
- Ensure safety of your team by wearing helmets (recommended).
